Georgia Power

the southern electric system

December 7, 1995

Mr. Ron Aguirre
Ultraseal International
1100 North Wilcox Avenue
Los Angeles, California 90038

Dear Mr. Aguirre:

We have been using the product, Ultraseal, approximately one and one-half years. This product has worked very well for our Fleet Services Department. It has saved us countless service calls in remote areas and unnecessary tire changes.

Thank you for the excellent product and look forward to working with you in the future.

Sincerely,

Jerrell Cobb
Fleet Services Foreman
