Dear Richard:

I am writing to you to let you know how pleased we are with Ultraseal Tire Life Extender.

Since you introduced Ultraseal to us in June of 1996, I am very happy to say that our tire repairs and down time due to tire failure on the job sites have been cut by more than two thirds. The fact that our Lull and Bob Cats have not had a flat tire for the last six months is in it self a testimonial to your product, given that we used to have up to three per week before installing Ultraseal!

Thank you again for your services.
